[ecoACTION](#)

Government of Canada's incentive programs that help Canadians make positive environmental choices for home and vehicle.

[Go For Green](#)

Go for Green, Active Living and Environmental Solutions, is a national not-for-profit, charitable organization that encourages Canadians to pursue healthy, outdoor physical activities that protect, enhance or restore the environment. They inform Canadians about healthy, active lifestyle choices, and nurture commitment and action... to improve personal health and the health of the environment.

[Green Communities Canada](#)

This is a national association of non-profit organizations that deliver innovative, practical environmental solutions to Canadian households and communities.

[Plant for the Planet](#)

The United Nations Environment Programme (UNEP) has launched a major worldwide tree planting campaign. Under the *Plant for the Planet: Billion Tree Campaign*, people, communities, business and industry, civil society organizations and governments are encouraged to enter tree planting pledges online with the objective of planting at least one billion trees worldwide.

[TD Great Canadian Shoreline Cleanup](#)

The TD Great Canadian Shoreline Cleanup is a national conservation initiative that allows all Canadians to have a positive impact on their local environment. Sign up for a shoreline cleanup and join Canadians from coast to coast who are helping to keep Canada's shorelines healthy. This usually takes place third week of September, but it's a great community event to do during Environment Week. Shorelines can be on rivers, lakes, ponds, streams and wetlands.

[One Simple Act](#)

It's easy to be environmentally friendly. In fact, it's simple. The choices we make at home, at work and at school all add up to make a big difference. Together we can have a big impact on Alberta's environment. Whether you're making a pledge to start a new green routine at home or installing eco-friendly technology at your office, we invite you to share your commitment with us.
